LENTEN PSALM OF AWAKENING

Come, O Life-giving Creator, and rattle the door latch of my slumbering heart. Awaken me as you breathe upon a winter-wrapped earth, gently calling to life virgin Spring. Awaken in these fortified days of Lenten prayer and discipline my youthful dream of holiness. Call me forth from the prison camp of my numerous past defeats and my narrow patterns of being to make my ordinary life extra-ordinarily alive through the passion of my love. Show to me during these Lenten days how to take the daily things of life and by submerging them in the sacred to infuse them with a great love for you, O God, and for others. Guide me to perform simple acts of love and prayer, the real works of reform and renewal of this overture to the spring of the Spirit.
O Father of Jesus, Mother of Christ, help me not to waste these precious Lenten days of my soul’s spiritual springtime.
Edward Hays, *Prayers for a Planetary Pilgrim*
